### **Arcus to Host Apprentice Program Auditions**

*Despite the down economy, Arcus continues to hire talent in a totally fun and competitive fashion*

**HARRISBURG, Pa. (December 9, 2008)** – Arcus, a nationally recognized total talent management solutions company, announced today that they are launching their own version of the Apprentice Program to find and hire apprentices to take part in a 14-week intensive learning process at its corporate headquarters.

Arcus has developed the Arcus Apprentice Program to train and educate energetic professionals. In addition to a rigorous, yet challenging and highly-rewarding on-the-job training program, each Apprentice will have a unique opportunity to learn the staffing industry, polish his/her sales and communications skills, and compete with fellow apprentices to earn a coveted spot on the Arcus sales and recruiting team. Not only will he/she be mentored and learn the tricks of our trade, but will interact with influential members of the community, complete projects and activities as if working for The Donald, and ultimately, build a network and tool box of skills, and play a significant role in our company's national presence. And, yes, successful Apprentice candidates will receive a starting annual salary of \$40K and benefits.

**When: Apprentice Auditions will be held on Monday, December 15<sup>th</sup>; 1 to 7 pm**

**Where: Four Points by Sheraton  
400 East Park Drive, Harrisburg**

**We hope you'll be able to join us at some point throughout the day as we bring our own version of The Apprentice Program to Central PA.
