## **Arcus Teams Up With Bethesda Mission for Second Annual “Can Hunger” Initiative**

**HARRISBURG, Pa. (October 22, 2008)** – Arcus, a nationally recognized staffing, recruiting and direct placement firm, announced today that it is once again teaming up with company clients, vendors and friends throughout the month of November to collect food for donation to Bethesda Mission as part of its community outreach initiative. Last year over a ton of food was collected. This year’s goal is to collect over two tons of food.

During a teambuilding and community outreach day that will be held on November 7, 2008, teams of Arcus employees will deliver collection bags and fliers to over 80 clients, vendors and friends who have agreed to participate in the “Can Hunger” campaign. Over the course of a month, these clients, vendors and friends will collect non-perishable food at their places of business.

On December 2, 2008 the Arcus employee teams will return to pick up the collected items from their contacts. The bounty will then be taken back to the company’s corporate headquarters at 8170 Adams Drive, Hummelstown to be sorted and packed, and then delivered to Bethesda Mission, where it will benefit hungry people throughout the greater Harrisburg area.

Bethesda Mission has been meeting the needs of hungry and homeless people in the Greater Harrisburg area since 1914, when the Mission was founded by fifteen laymen representing nine different denominations across the city.
