Arcus HealthCare Receives Preferred Vendor Status

BlueCross and BlueShield Association adds division to a coveted spot on their preferred vendor list

HARRISBURG, Pa. (May 23, 2007) – Arcus LLC., a nationally recognized staffing, recruiting and executive placement firm announced today that one of its divisions, Arcus HealthCare, signed a contract with the BlueCross and BlueShield Association to partner with them to fulfill their specific contract, temporary to permanent and permanent placement staffing needs. This partnership earns the HealthCare division a coveted spot on the Association's Preferred Vendor List.

The Arcus HealthCare team works with the network of BlueCross and BlueShield companies across the nation, assisting them in finding and utilizing highly-skilled talent. With an extensive database of candidates with prior HealthCare Insurance experience in the blues market, a 24x7 commitment to recruiting, and a solid resume of successes to date including Independence Blue Cross, Highmark, Capital Blue Cross, Wellmark, Wellpoint, AmeriHealth, Delaware BlueCross and BlueShield, Florida BlueCross and BlueShield, and North Carolina BlueCross and BlueShield among others.

Arcus HealthCare was officially launched in the fall of 2006, although the company has been a niche provider of staffing solutions to the HealthCare Insurance market for several years now. Shortly after the division's official launch, the HealthCare team exhibited for the first time at the BlueCross and BlueShield Association's IT Symposium in Memphis, TN and began getting the word out about the value its talent solutions could provide.

"Being named to the Preferred Vendor List of the Association is a huge feat for the HealthCare team and clearly illustrates the level of our game and the degree to which our talent solutions differ from others in the market," said R. Douglas Firestone, President and CEO of Arcus. "The HealthCare division is really a niche provider of specialized candidates who have previous blues experience and our deep network and relationship with professionals who fit this bill is one of our strongest selling points. We've had several successes within the industry lately and this latest development is a huge win for us because the national association of our target audience has backed us, really adding credibility and value to our staffing solutions."
